3. **Application for Grant to Subsidise low income Groups.**

Jan had applied for a grant for up to £6,000 to help low income groups and those are struggling. It is important for these groups to continue as they provide significant opportunities for local people, especially the elderly to socialise.

The process required an updated Safeguarding Policy, and a Trustee Statement of Eligibility to be submitted

These documents required Ratification and approval of the Committee.

Those present represented a Quorum and were therefore able to proceed.

Subsequently the Documents were submitted and we were awarded £2,000.00.

The groups which will benefit are:

Sequence Dancing,

Short Mat Bowls,

Pop In and

Thursday Art Group *and the Gardening Club. JMK.*

Who will receive rent for 3 months enabling them to explore using the money to enjoy extra activities or contributing to equipment etc.

This being the only item on the agenda the meeting closed at 15.00hrs.
